UNIVERSITY FACULTY SENATE FORMS

Academic Program Approval

This form is a routing document for the approval of new and revised academic programs. Proposing department should complete this form. For more information, call the Faculty Senate Office at 831-2921.

phone number: 1318 Submitted by: Steven E. Hastings Department: Applied Economics and Statistics (APEC) email address: hastings@udel.edu Action: Create New Minor: Data Management and Analytics Effective term: 14F Current degree: Proposed change leads to the degree of: **Proposed name: Data Management and Analytics Revising or Deleting: Undergraduate major / Concentration:** Undergraduate minor: Data Management and Analytics Graduate Program Policy statement change: (Must attach your Graduate Program Policy Statement) **Graduate Program of Study:** (Example: Animal Science: MS Animal Science: PHD Economics: MA Economics: PHD) Graduate minor / concentration:

List new courses required for the new or revised curriculum. How do they support the overall program objectives of the major/minor/concentrations)?

(Be aware that approval of the curriculum is dependent upon these courses successfully passing through the Course Challenge list. If there are no new courses enter "None")

No new courses required.

Supply support letter from the Library, Dean, and/or Department Chair if needed (all new majors/minors will need a support letter from the appropriate administrator.)

Letters of support from Dean Rieger and Chair Awokuse are attached.

Supply a resolution for all new majors/programs; name changes of colleges, departments, degrees; transfer of departments from one college to another; creation of new departments; requests for permanent status. See example of resolutions.

Explain, when appropriate, how this new/revised curriculum supports the 10 goals of undergraduate education: http://www.ugs.udel.edu/gened/

Goal #1 - Attain effective skills in (a) oral and (b) written communication, (c) quantitative reasoning, and (d) the use of information technology is supported by enhancing the creation of this minor.

Identify other units affected by the proposed changes:

(Attach permission from the affected units. If no other unit is affected, enter "None")

None – all courses are offered by APEC.

Describe the rationale for the proposed program change(s):

1

(Explain your reasons for creating, revising, or deleting the curriculum or program.)

More "data" exists today than ever before. Students in all professions will be faced with managing and analyzing data on a day to day basis. APEC offers numerous courses that can prepare them to meet this growing requirement in their professional lives.

Program Requirements:

Revised 10/23/2007 /khs

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and **include a side-by-side comparison** of the credit distribution before and after the proposed change.)

MINOR in Data Management and Analytics

The minor in Data Management and Analytics requires 18 credits. Students must complete APEC 135 and STAT 200 before applying for the minor. Four additional courses are required to be selected from APEC 335, APEC 409, APEC 480, APEC 429, STAT 408/608, STAT 409 or STAT 474.

Mark and Titus – the Faculty Senate process requires a letter (or email) of approval from the Chair and Dean for a new minor.

The following minor has been approved by the APEC faculty and CANR C and C Committee, if you can reply with you approval, I would appreciate it.

MINOR in Data Management and Analytics

The minor in Data Management and Analytics requires 18 credits. Students must complete APEC 135 and STAT 200 before applying for the minor. Four additional courses are required, selected from APEC 335, APEC 409, APEC 480, APEC 429, STAT 408/608, STAT 409 or STAT 474.

Thanks - Steve
