(Explain your reasons for creating, revising, or deleting the curriculum or program.)

Health communication is an established area of study in the communication discipline, and last year we added a course (COMM453) on that topic. Its addition to our curriculum provides a valuable learning opportunity for students choosing the Interpersonal Communication concentration. As such, the course is worthy of inclusion as an option for students choosing this concentration.

Program Requirements:

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and **include a side-by-side comparison** of the credit distribution before and after the proposed change.)
