Action: *revise English major with Professional Writing concentration*

Effective term: 11F

Current degree: BA

Proposed change leads to the degree of: BA

Revising or Deleting: English major / Professional Writing concentration

List new courses required for the new or revised curriculum. How do they support the overall program objectives of the major/minor/concentrations)?

None

Explain, when appropriate, how this new/revised curriculum supports the 10 goals of undergraduate education: <http://www.ugs.udel.edu/gened/>

The concentration is not being substantively revised; rather, this revision corrects an error.

Identify other units affected by the proposed changes:

None

Describe the rationale for the proposed program change(s):

ENGL306 is a Creative Writing workshop, but this was not obvious in the course's title. When the curriculum was revised for 10F, the Associate Chair did not catch this mistake. A revision to the title of ENGL306 has been proposed and the course is being removed from the menu of options for the Professional Writing concentration.

Program Requirements:

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and **include a side-by-side comparison** of the credit distribution before and after the proposed change.)
