(Be aware that approval of the curriculum is dependent upon these courses successfully passing through the Course Challenge list. If there are no new courses enter “None”)

“NONE”

Explain, when appropriate, how this new/revised curriculum supports the 10 goals of undergraduate education: <http://www.ugs.udel.edu/gened/>

Identify other units affected by the proposed changes:

(Attach permission from the affected units. If no other unit is affected, enter “None”)

Describe the rationale for the proposed program change(s):

(Explain your reasons for creating, revising, or deleting the curriculum or program.)

The proposed program change replaces the existing four options for Spanish Studies Concentration:

Option I. Spanish Studies: Language and Literature

Option II. Spanish Studies: Language, Literature, and Intensive Portuguese

Option III. Spanish Studies: Language & Culture

Option IV. Spanish Studies: Language, Culture, and Intensive Portuguese

With two options:

Option I. Spanish Studies: Language, Literature and Culture

Option II. Spanish Studies: Language, Literature, Culture and Intensive Portuguese

The present concentration forces students to choose between literature and culture courses. The change we propose fuses options I and III, II and IV, and enables students to take literature and culture courses for their Spanish Studies Major.

Program Requirements:

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and **include a side-by-side comparison** of the credit distribution before and after the proposed change.)

**DEGREE: BACHELOR OF ARTS
