Hello everyone,

Here are quotes from the minor requirements in both Asian Studies and Islamic Studies::

#### ASIAN STUDIES WITH LANGUAGE

"The minor with language consists of the above listed 18 credits of requirements plus completion of either CHIN 107 or JAPN 107 or their equivalents in transfer credit or proficiency examination."

#### Islamic Studies Minor with Language

"Islamic Studies Minor with Language will complete the same requirements described above, and additionally complete the Arabic language sequence through the 107 level. Students with prior experience in Arabic may be asked to demonstrate their competence in order to be exempt from language classes. Students may also substitute other Islamic languages for the Arabic requirement."
