**Identify other units affected by the proposed changes:**

(Attach permission from the affected units. If no other unit is affected, enter "None")

**Describe the rationale for the proposed program change(s):**

When our new three Theatre Minors were created, they were listed as such.  
Performance Studies Minor

Theatre Studies Minor

Theatre Production Minor

It was thought at the time that naming the performing minor as you see above would attract more interested undergraduates because the student would look for the minor under "performance".

Unfortunately, the opposite has happened. The interested performing student looks for their minor under theatre and does not find it, they only see the other two minors.

So we would like to change the name of this minor to Theatre Performance Minor keeping it in line with the other minors under "T" (theatre). It will also give our three minors a clear and uniform look in the catalog as well as on line.

Theatre Performance Minor, Theatre Production Minor, and Theatre Studies Minor.

**Program Requirements:**

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and **include a side-by-side comparison** of the credit distribution before and after the proposed change.)
