Describe the rationale for the proposed program change(s):

(Explain your reasons for creating, revising, or deleting the curriculum or program.)

In recent years the field of Women's Studies has expanded across the country to be more explicitly inclusive of new research and teaching on gender. At UD the Department of Women's Studies includes a minor in Sexualities and Gender Studies. Our curriculum and our research reflect the fast-growing scholarship on gender and expand on it. The name change would recognize these national and local changes and reflect more accurately the scope of our department.
