Subject: approval for curriculum change

Hello—I believe I asked you this last year but then we managed to not get the change into our college committee. The change is to the Fashion Merchandising curriculum and it is to ADD ACCT 200 Survey of Accounting as an option to ACCT 207 (already included in our curriculum) for those students planning to do a business minor.

I assume this won't be a problem.... can you send an "OK" e-mail? And of course let me know if you have questions/concerns.

Thanks,
Marsha Dickson
