Welcome New Lincoln Club President Honorable Myrna L. Bair

It is indeed an honor to serve as President of the Lincoln Club of Delaware for the coming year. The Club, the Board and its members are dedicated to the rich heritage of the life and accomplishments of our 16th President. As our goal states, we "exist to promote and secure the legacy of America's greatest President." In the coming year, our members and their guests will have the opportunity to enjoy a presentation by a local expert on Lincoln related works by the Delaware valley's own N.C. Wyeth, as well as a talk by a national Lincoln scholar who will discuss new insights and information in Lincoln studies. Please join us for these exciting events and opportunities.
